THE CHRISTMAS ELVES CAMPAIGN BRINGS JOY TO MANY!

Prescott-Russell, January 29, 2019 - Once again this year, the community of Prescott-Russell generously supported the Valoris Christmas Elves Campaign. Thanks to all your generous donations, 666 gifts were distributed to children and teenagers in the region, bringing much joy during this time of celebration!

Several initiatives contributed to the success of the campaign, including an annual brunch organized by École secondaire catholique de Plantagenet, which generated a record \$ 4,800. A bowling tournament held in Casselman also benefited the campaign, with proceeds of \$ 1,000. In Hawkesbury, a mountain of gifts for children and youth was collected. In addition, many individuals, businesses and organizations made generous gift or cash donations.

The Valoris Christmas Elves wish to thank all merchants, associations, organizations, professionals, school boards, volunteers and the entire population of Prescott-Russell for your unparalleled support and commitment to this important campaign!
